CAROL PEACE & ANDREW SQUIRE: **LIFE ON EARTH**

2-19 September 2020

Thompson's Gallery proudly presents 'Life on Earth' a dual exhibition of paintings by Andrew Squire and sculpture by Carol Peace. These two bodies of work unite to address issues surrounding the environment, habitat, and coexistence. Squire's animals inhabit colour fields with little vegetation or companionship, conveying an impactful combination of hope and worry for the planet. Peace's ethereal figures are hewn from the Earth's clay, cast in bronze and resin as symbols of joy, coexistence, and remembrance of origin. We invite you to enjoy and explore 'Life on Earth', in two and three dimensions.

More paintings and sculpture are available by each artist and the entire exhibition can be viewed at, www.thompsonsgallery.co.uk
